Hoping all of the Conejo Cub Scout Packs, Scout Troops, Venturers, and Explorers have had a great summer full of exciting activities such as Cub Day Camp, Summer Camp, & Long-term type excursions. It seems as though it has gone by so quickly. And it won't be long before we get busy with Join Nights, Annual Calendar planning, and just regular unit activities. To kick off the new Scouting year, we would like to extend an invitation to our Annual Potluck Picnic on Thursday evening from 6-8 pm @ Conejo Creek Park. There will be some informative speakers & insights. Please bring your favorite side dish or dessert. Please RSVP to [donc@powermaginc.com](mailto:donc@powermaginc.com). The annual re-registration process will be beginning shortly, as it does every year. What's new this year is, in addition to National requisite Youth Protection Training for adults, we also now have Council requisite trainings that include IOLS, Position Specific, and Weather Hazard trainings. "Every Scout Deserves a Trained Leader". In support of your Scouts, please find useful information and tips through a variety of courses found @ <https://my.scouting.org/dashboard-legacy> or in person at any one of our scheduled trainings put on by volunteers like you. Work with your Commissioners to find out who needs these trainings. One of the biggest challenges to completing the re-registration process is documenting all of the requisite adult trainings. Don't delay. Lastly, if you haven't already, every family has the opportunity to support our Council through its annual Friends of Scouting Campaign. Contributions to which nearly 90% goes directly back to program delivery for over 4,300 youth and their families. YOUR SUPPORT AS A FAMILY IS VERY MUCH NEEDED AND VALUED to sustain our local Council operations. Please join me in making Conejo Valley, the best District in Ventura County Council.
