(Rod Lang, District Commissioner)

Our Conejo Valley District 40th annual Camporee - **40 Years of Adventure** - is in the books and congratulations to all the scouts who participated and competed in the spirit of friendly competition. A well deserved "shout-out" goes to all the adult leaders and parents from the Troops and District who worked tirelessly to make Camporee another memorable and successful event. Finally, the youth leadership, Senior Patrol Leader and 3 Assistant Patrol Leaders, should be congratulated for their leadership in helping to run and organize Camporee. These young men are the foundation for turning more of the Camporee preparation and organizing over to the scouts to put-on.

Cub Scout Day Camp - is still accepting reservations on "Tentaroo". Don't let your Cub Scout be left out of all the fun and activities at this year's "Olympic" day camp, June 18-22. **Friends of Scouting** presentations are nearing completion but much work remains to be done in order for us to achieve our District financial goals. Please remember that it takes \$200 a year to support one scout in our Council and every contribution, small or large, moves us closer to that goal. FOS donations are critical in order to keep our camps open, support a local Scout store and many training activities in the Council. All contributions are appreciated and valued.

Round Table, May 17th. As registered adults you should know that your current "old" Youth Protection Training (YPT) will expire on September 30th. All registered adults will be required to have taken, and passed, the new version of YPT which includes new material on girls in scouting, bullying, internet safety, etc. At the May Round Table we will be conducting a class room session on the new YPT program so you registered adults don't have to wait to the last minute to get your training completed. Round Table is held at the Thousand Oaks LDS Stake on Erbes Road at 7:30. Please be on time so we can complete the training and be adjourned at a reasonable time.

BSA unveils name of program for older boys and girls, launches 'Scout Me In' campaign

THE WAIT IS OVER, and **we now know** what we'll call the program for 11- to 17-year-old youth when girls can begin joining during the scheduled launch on Feb. 1, 2019.

Let's hear it for Scouts BSA!

Boys and girls who are part of Scouts BSA will be known as Scouts. Just as before, these Scouts will earn merit badges, go camping and work toward the Eagle Scout

The organization name, Boy Scouts of America, will not change. Scouts BSA builds on the legacy of the Scout name. There's a Scout salute, a Scout rank, a Scout Oath and a Scout Law. The word "Scout" carries with it more than 108 years of character-building tradition, and the young men and young women of Scouts BSA will carry that tradition forward.

Beginning during the scheduled launch of Feb. 1, 2019, girls can join all-girl troops. Boys can continue to join all-boy troops. Scouts BSA will not have any mixed-gender, or coed, troops. This is an exciting time for the BSA, and the Scouts BSA name is the perfect representation of this new, welcoming program for older youth.
