Key 3 (Rod Lang—District Commissioner)

Greetings Conejo Valley!

In spite of the recent heat and nasty winds we are in a wonderful time of the year. We have 3 big District activities coming up for our attention in November.

#1 - Unit re-chartering. Unit re-charter packets are due at our upcoming 11/16 Round Table (Thousand Oaks LDS Stake, 1600 Erbes Road). Round Table starts at 7:30! It is important for our District, and Council, to have all the re-charter packets submitted on time so we can accurately as-

sess the status of our units. If there are questions, or a unit needs assistance, on re-chartering, please contact your Unit or District Commissioner.

#2 - Recruiting - The life blood of all units is recruiting new Cubs and Scouts into your units. Troops should "be prepared" for upcoming Webelos visitations and Packs should be actively recruiting at their local elementary schools. If your unit needs assistance, or guidance,

on recruiting please contact the District Committee for help.

#3 - District Dinner - Our annual District Dinner is coming up on Tuesday, November 28th at St Paschal Baylon Church, 155 E. Janss Road, Thousand Oaks starting at 6:00 PM. Please come out to recognize District Award of Merit and Scouter of the Year recipients and enjoy meeting scouters from across the District. We promise not to have left-over turkey and stuffing for dinner.

A Message from BSA National Key 3

This is an exciting and important time for the BSA. Our recent historic decision to serve families by inviting girls to Cub Scouts and delivering a program that will enable them to earn the rank of Eagle Scout sustains our mission of preparing more young people to live the values of the Scout Oath and Scout Law.

but our mission and Scouting's time-tested, proven programs remain unchanged.

We believe this nation needs and deserves more youth focused on the foundations that still serve as bedrock of our movement — **duty to God and country with a desire to help other people at all times.**

sparked conversation and debate, but we want to be very clear that we remain committed to serving boys and young men as we invite girls and young women to benefit from our iconic programs by experiencing the same opportunities to develop leadership, face the same character-building challenges, and have the same fun adventures.

We have expanded our scope, We know this decision has
