

## Take Order information

Thank you very much for understanding our situation this past weekend and we do hope that our Scouting family was relatively unscathed during this rash of horrific incidents over the past few days. We pray for those impacted by the events and offer our support wherever possible.

As to the TAKE ORDER POPCORN distribution, we are sorry about the delay, but here's the skinny:

Tomorrow morning from 9 – Noon, our Council Staff will be transferring the Popcorn at the warehouse in Oxnard to our Council Service Center here in Camarillo.

Beginning at Noon tomorrow and during regular business hours (9am – 5pm) for the remainder of the week the popcorn will be available at the Scot Store.

All we ask is that you please arrange with your District Executive (listed below) an amicable time for someone from your unit to pick up your remaining corn in Camarillo.

Channel Islands District: Cindy Hernandez at [cynthia.hernandez@scouting.org](mailto:cynthia.hernandez@scouting.org)  
or by phone at 805-390-0019

Conejo Valley District: Andrea McClellan at [andrea.mcclellan@scouting.org](mailto:andrea.mcclellan@scouting.org) or by phone at 805-320-7870

Ronald Reagan District: Jermaine Bell at [jermaine.bell@scouting.org](mailto:jermaine.bell@scouting.org) or by phone at 805-827-0898

Sespe District: Peter Nystrom at [peter.nystrom@scouting.org](mailto:peter.nystrom@scouting.org) or by phone at 626-318-6579

Note: It may be possible to pick up later in the evening tomorrow, but due to a plethora of night meetings that our limited staff must tend to, the opportunity to access your popcorn outside of regular business hours might not be possible.
