Rod Lang, District Commissioner

Greetings Scouters!

I hope everyone had a safe and spooky Halloween. Now is the time to switch gears and get ourselves ready for some great November activities.

First and foremost is getting all our volunteer adults to complete the new Youth Protection Training. Adults, you cannot be registered for 2019 without completing the new YPT. Likewise, your units cannot complete their re-charter process without all adults being trained - see below. So get on it if you still haven't completed your training.

We have our annual District Recognition Dinner coming up on November 8th at St

Paschal's Baylon Church, 155 E. Janss Road in Thousand Oaks. Dinner will begin at 6:00 and will be provided by Bandits and the cost is \$20.00. We have received a number of nominations for Scouter of the Year and the District Award of Merit. So be sure to come out and support the volunteers that have been recognized by their peers for their service to Scouting in the Community.

November is re-charter time. Units can begin going on-line to complete their charter packets starting on November 1st. Completed unit charter packets are due to their respective Unit Commissioner in time for the December 6th Commissioners meeting. If

you're not sure who is your Unit Commissioner? That would be the individual who handed out the re-charter packet or if you have any questions, send an email to relang52@gmail.com.

Recruiting is the life blood of any unit and we all need to be actively engaged in getting our youth and adults into Cub Scouts, Scouts, Venture Crews or Exploring Units. We cannot have active and vibrant units without our adult volunteers. Troops should "be prepared" to host visiting Webelos over the next few weeks. Cub Scout Packs should be active in recruiting at your local schools and so-

Make your campsite disaster-proof during bad weather

By Cliff Jacobson
From the March-April 2010 issue
of *Scouting* magazine

As I canoed a popular lake in the Boundary Waters Canoe Area after a storm, I came upon a snug camp occupied by a troop of older Scouts. The guys were relaxing by a blazing fire and sipping hot chocolate. Nearby stood a crisply rigged tarp with several dry packs around it.

I told the Scoutmaster that every camp I'd passed that morning (except his) was a disaster: flooded tents, lines brimming with wet clothes, not a campfire in sight. He listened with a smile and then proudly answered, "Yep, we got us one bomb-proof canoe camp here!"

A "bomb-proof" camp doesn't just happen; you must meticulously plan and execute one.

To become a hero during a storm, follow these rules:....[CLICK HERE TO READ!](#)
